## **TERMS AND CONDITIONS OF SALE & WARRANTY**

### **IMPORTANT INFORMATION:**

Possession of this catalog does not constitute an offer to sell by PETCO, or the right to purchase from us.

### **TERMS**

All orders are accepted subject to credit approval. To customers with established credit our terms are Net 30 days from the date of the invoice. A late charge of 1 1/2% per month will be assessed on all past due accounts. No shipment will be made on open account to a customer whose account is past due.

If credit is not established all shipping will be COD. Any charges by the transportation company will be the responsibility of the buyers.

### **PRICING**

Prices are subject to change without notice. All orders will be billed at current prices on the date of shipment.

### **FREIGHT**

All shipments will be made via UPS or motor freight. All prices are FOB shipping point, which is normally our warehouse. Routing of shipments will be at the discretion of the seller, with no liability from the exercise of such discretion.

### **MINIMUM ORDER**

All orders are subject to a \$15.00 minimum.

### **DAMAGED SHIPMENTS**

Merchandise properly packaged and delivered to the freight carrier releases PETCO from all responsibility. Claims for damaged shipments are the responsibility of and must be filed by the consignee against the carrier.

### **RETURNS**

All returns must be approved in advance by PETCO management.

### **WARRANTY**

All warranty returns are subject to the manufacturer's warranty policy. In no case do we assume or admit liability for labor, damage, leakage, or other claims arising from defective goods. No liability is assumed beyond that of the manufacturer.

### **WARRANTY DISCLAIMER**

PETCO has made diligent effort to illustrate and describe the products in this catalog accurately; however, such illustrations and descriptions are for the sole purpose of identification, and do not express or imply a warranty that the products are merchantable, or fit for a particular purpose, or that the product will necessarily conform to the illustrations or descriptions. No warranty or affirmation of fact, express or implied, other than as set forth in the limited statement above is made or authorized by PETCO.

### **TAXES**

Any state and federal tax levied against the net price is an additional charge to be assessed and paid by the purchaser. In states requiring a resale license number, the buyer agrees to furnish his certificate number or other proof of license to buy without paying the applicable taxes to us.

### **DEBIT**

No debit memorandum will be accepted.

### **SPECIAL ORDERS**

Orders for special products, not considered by PETCO as a stocked product, are non-cancellable and non-returnable unless agreed to in advance by our supplier.

### **WARNING**

Installation, usage and maintenance of all products sold by PETCO must be done in compliance with the manufacturer's instructions and applicable federal, state and local standards, codes, regulations and laws. While PETCO attempts to assure that its products comply with such codes, it cannot guarantee compliance, and cannot be responsible for how the product is installed or used. Installation and maintenance should be done by qualified personnel. The products contained in this catalog are mechanical devices that will eventually become inoperative due to wear, corrosion, and other environmental conditions. Periodic maintenance and inspection are required to avoid serious injury and property damage.

Some of the products sold by PETCO are manufactured to store, transport, transfer and use flammable liquids and gases. These products and the material they handle must be handled by experienced and trained personnel. These personnel should use accepted industry and governmental safety procedures.

## REGULATORS

### FIRST STAGE HIGH PRESSURE REGULATOR

The First Stage regulator is a regulator reducing the inlet pressure, coming from the withdrawal cylinder, to a medium level suitable to feed a second stage regulator consequently.
